Please find below and/or attached an Office communication concerning this application or proceeding.

Art Unit: 1644

A requirement for restriction was mailed 7/9/04. This restriction listed the claims of a WO publication submitted as prior art, rather than the claims of the instant application.

In response to applicant's letter received on 9/9/04 regarding the last Office action, the following corrective action is taken.

The restriction requirement mailed 7/9/04 is VACATED.

Upon obtaining an IFW copy of the claims of this application, the examiner will take appropriate action.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David A Saunders, PhD whose telephone number is 571-272-0849. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Christina Chan, can be reached on 571-272-0841. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
